Agent: Hello! This is AnswerPro24's test drive demo. Let's begin! Thank you for calling! I'm an automated phone agent, you can speak to me in full sentences. What's the issue you're calling about?

User: I have a leaking pipe in my house. It's pretty bad.

Agent: Got it. A leaking pipe sounds serious—I'll make sure we get this taken care of. May I have your first and last name, please?

User: Sure. My first name is John, and my last name is Demo.

Agent: Thanks, John. Just to confirm, that's J O H N for your first name, and D E M O for your last name, right?

User: That's correct.

Agent: Great, thanks! Could you please provide the full address where this leaking pipe issue is occurring?

User: Sure. The address is one two three Example Street, Demo City, South Carolina two nine six zero seven.

Agent: Thanks for that. Just confirming—it's 123 Example Street, Demo City, South Carolina, 29607. Is that correct?

User: That is correct.

Agent: Perfect, thank you! Since you mentioned the leak is pretty bad, do you feel this is an urgent matter that needs a team member to respond right away?

User: I do. Yes.

Agent: Understood, John. I'll mark this as urgent so a team member can respond as quickly as possible.Here's a quick recap:
